Description:

Dear Friend provides weekly meditation readings. Each reading has an associated journal page to note your reflections during the week. Very helpful individually or for a weekly spiritual meeting discussion group. The only book ever published by Sandy Beach, speaker best know for his

talk Drop the Rock. Dear Friend II has been compiled using the remaining letters of Sandy's writings which had been hidden away for the past 20 years.

A beautiful follow on to Dear Friend - I. This is such a spiritually uplifting book. Each letter is deep and meaningful. Refreshing to read and ponder. I use the letters as a form of prayer and meditation prior to going to sleep. Well worth it to add to your spiritual library. Rick
